

INSTRUCTIONS

Cutting intended for grown-ups only.

1. Print out the crown on cardstock or regular paper and color.
2. Cut out the outside of the crown outline and the extensions.
3. Put glue on the end tabs.
Place each extension on the appropriate end and glue into place.
4. Measure the crown around the child's head, then tape or glue the ends of the extensions together.
You can cut off any excess part of the extensions if necessary.
